### ***Auditor's Responsibility***

Our responsibility is to express an opinion on items included in this quarterly report are in accordance with approved methodology. We performed our verification in accordance with International Standards of Assurance Engagement (ISAE 3000 - Assurance Engagements Other than Audits or Reviews of Historical Financial Information). This standard require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance that items included in quarterly report are free of material misstatements

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in this quarterly report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of this quarterly report that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Opinion**

### Explanations:

Print Run:	Number of copies printed and invoiced by the print provider. The supplier invoice is duly recorded in the PEREX's accounting and paid to the supplier's account.
Retail Sales A:	Sales through the distribution network of the independent distributor Mediaprint-Kapa Pressegrasso, a.s., under a contract with PEREX.
Retail Sales B:	Sales through in-house store or the in-house distribution network. Presently, PEREX does not operate its own distribution network. PEREX sells Pravda copies in its own store which is accessible on the premises of the company's registered office.
Retail Sales C:	Sales through a distribution network owned by a publisher domiciled in the Slovak Republic. The sales take place outside the distribution network of the independent distributor Mediaprint-Kapa Pressegrasso, a.s. These sales may include sales through news-vendors.
Subscriptions A:	Subscriptions distributed by Slovenská pošta, a.s. under a contract with PEREX.
Subscriptions B:	Subscriptions distributed by a distribution network owned by a publisher domiciled in the Slovak Republic.
Subscriptions C:	Subscriptions delivered by Mediaprint-Kapa Pressegrasso, a.s., or other independent distribution network of an alternative postal service operator.
Other Sales:	Included in other sales are copies sold directly to the buyer under a purchase order or contract. Ordered copies are invoiced to the buyer. The invoice is duly recorded in the PEREX's accounting. The price of copies ordered and invoiced is at least 50% of the basic cover price. See the calculation methodology.
Paid Circulation:	It is the sum of all sales.
Returns:	Included in returned copies are copies destined for sale (whether directly, through distributors, news-agents or otherwise) that were not sold.
* Comment:	The calculation of average values of respective sale types leads to rounding and hence to a possible difference of +1pcs or -1pcs to the average paid circulation, which is calculated as a proportion of the sum of all the sales and the number of issues in a given month.
** Comment:	In 2018 Sales in PEREX's own store range from 2 to 13 pieces, resulting in a monthly average of 0,08 - 0,50 pcs/issue.
